Example 3: Custom Page Break Margin (40mm)

Item	Description
Network Router Enterprise	High-performance dual-band router with 1.8 GHz quad-core processor, supporting up to 50 devices simultaneously
CAT6 Ethernet Cable	Professional grade shielded twisted pair cable, 23 AWG copper, rated for 10 Gbps up to 55 meters
Managed Network Switch	24-port gigabit switch with VLAN support, QoS capabilities, and web-based management interface
Wireless Access Point	Dual-band 802.11ax access point with MU-MIMO technology and seamless roaming support
UPS Battery Backup	1500VA uninterruptible power supply with pure sine wave output and automatic voltage regulation
Server Rack Cabinet	42U professional rack enclosure with lockable front door, cable management, and ventilation fans
Patch Panel 48-Port	Cat6 certified patch panel with color-coded ports and integrated cable management bar

Item	Description
Fiber Optic Cable	Single-mode LC-LC duplex fiber cable, 9/125um core, suitable for long-distance connections
KVM Switch 8-Port	Rack-mountable KVM switch supporting 4K resolution and USB peripheral sharing across 8 servers
Network Attached Storage	4-bay NAS with RAID 5 support, dual gigabit NICs, and cloud backup integration
IP Security Camera	4MP outdoor PoE camera with night vision, motion detection, and H.265 video compression
PoE Injector	Single-port 802.3af/at power over ethernet injector, 30W max output, surge protection included
Cable Tester Professional	Advanced network cable tester for Cat5e/6/6a with wiremap, length, and PoE testing
Wall Mount Rack	6U hinged wall mount bracket with 18-inch depth, suitable for small network installations
Cooling Fan Tray	Thermostat-controlled 2-fan unit for rack cabinets with adjustable temperature settings
Surge Protector Rack	1U horizontal PDU with 8 outlets, 15A capacity, and LED power indicator

Item	Description
Console Server	16-port serial console server for remote out-of-band management of network devices
Media Converter	Ethernet to fiber media converter supporting auto-negotiation and link fault pass-through
Wireless Controller	Centralized WLAN controller managing up to 100 access points with cloud-based analytics
Network Monitoring Tool	Software license for real-time network performance monitoring and traffic analysis
Rack Shelf 2U	Heavy-duty vented shelf supporting up to 50 lbs, suitable for non-rack-mountable equipment
Cable Management Arm	Articulating cable management arm for server rack, preventing cable strain during maintenance
Blank Panel Set	10-pack of 1U blank panels for improving airflow and aesthetics in server racks
PDU Smart Metered	Intelligent power distribution unit with per-outlet monitoring and remote reboot capability
Grounding Kit	Professional rack grounding kit with copper braid and bonding hardware for electrical safety

Item	Description
Labeling System	Thermal label printer with adhesive labels for cable and port identification
Tool Kit Network	Professional networking tool set including crimper, stripper, punch-down tool, and tester
Screws & Cage Nuts	Assortment of rack screws, cage nuts, and washers for standard 19-inch equipment mounting
Velcro Cable Ties	100-pack of reusable hook-and-loop cable straps in assorted colors for organization
Documentation Holder	Magnetic document holder attaching to rack for storing network diagrams and procedures
